

FIELD/OPERATIONS OFFICE  
LOCAL [SITE SPECIFIC] THREAT STATEMENT

PREFACE

The purpose of this document is to identify and characterize actual and potential threats to [Field/Operations Office, Location] programs, facilities, and employees. It is also the purpose of this document to meet the regulatory requirements for the development of an annual, site specific, threat statement in each of the following programs: Physical Security, Operations Security (OPSEC), Technical Surveillance Countermeasures (TSCM), and Counterintelligence (CI).

[Continue with general description and summary of the Local Threat Statement including any major changes from the previous year.]

Part I: Terrorism

(both foreign and domestic terrorists)

Part II: Criminals

(both white collar and organized)

Part III: Psychotics

Part IV: Disgruntled Employee

Part V: Activists

(anti-nuke, environmentalists, anti-war, etc)

Part VI: Intelligence Collectors

(both professional and hobbyist)

Part VII: Insider

NOTE: Classification level should generally be kept to a level that the intended audience can access.
