SUBJECT: CHICAGO OPERATIONS OFFICE (CH) NATIONAL ENVIRONMENTAL POLICY
ACT (NEPA) COMPLIANCE OFFICER

On March 10, 2002, Mr. Peter R. Siebach joined the Office of Safety and Technical Services as the new CH NEPA Compliance Officer.

Mr. Siebach has substantial experience in NEPA and I'm confident that he will be able to make an immediate impact. Since 1990, he has been an Environmental Engineer with the Department's Office of Environmental Management (EM) - the last five in Chicago as a program manager for EM's Center for Risk Excellence. Prior to that, he worked for EM at Headquarters managing the Albuquerque Operations Office Waste Management Program. He has received a number of awards/accommodations for his NEPA related performance, most notably, a Superior Achievement Award for his technical contribution to the Waste Management Programmatic Environmental Impact Statement.

Appropriate communications from the Office of NEPA Policy and Compliance should be addressed to him. He can be reached via telephone at 630-252-2007, via fax at 630-252-2835, and via e-mail at peter.siebach@ch.doe.gov.
